

SPECIFICATIONS

Model No.	CPP-124W5K3000
Power	5W
Input Voltage [VAC]	100-277
Output Voltage [VDC]	32-48VDC
Lumen Output	800lm
Color temperature	3500, 4000, 4500
Beam Angle	120
Dimensions	1.1"D, 24"H
Weight	1LP each cone
CRI [Ra]	80
Power Factor	0.92
Life Time	50,000 hours
Others	N/A
LED	COB
Dimming Type	None
Warranty	5 years
Dimmers	N/A

PRODUCT DESCRIPTION:

An elegant long neck cone shaped pendant. Beautiful in a single cone, stunning as a cluster to hang in different height. We stock them in Black and silver, but can supply white and rose gold as well. They measure 1.1" in diameter and 24" long. Cable is adjustable. Driver is located inside the canopy. Although small in diameter, it allows 800lumens to create a strong effect.

When multiple units are ordered, please ask about our single canopy to hold multiple CPP units and multiple layers of CPP.
