PRODUCT DESCRIPTION:

Advanced Cree COB LED Downlight. With clean illumination and high CRI, DLLS-6W delivers efficient lighting. 60 degree beam angle will cover a 10 foot visible view from 8' illumination point. Illuminating at 82lm/w and life span of 50,000 hours, this is a very efficient down light for all areas of the office up to 10' ceiling height. The LED driver provides for a true 0-10 dimming compatible with most popular dimming switches on the market.

DLCP-6 is an ideal choice for schools, hospitals, commercial office spaces and hospitality environment.
